SOUTH AFRICAN AIRWAYS

A STAR ALLIANCE MEMBER

**THE FLY SAA EXPERIENCE**

South African Airways brings the world to Africa and takes Africa to the world. With double daily overnight flights from Heathrow to Johannesburg and easy onward connections, South African Airways offers flights to the largest route network within Southern Africa.

Economy Class customers are invited to stretch out and enjoy one of the most spacious economy cabins to be found as well as a choice of South African inspired cuisine served with excellent South African wines.

Business Class customers will enjoy a first class service the moment they arrive at the airport with access to the Johannesburg lounge. Once onboard they will enjoy a South African inspired menu with award winning wines, power at their seat should they choose to work and a good night's sleep in luxurious, forward facing, flat beds.

Fly from London to Johannesburg with South African Airways and you can enjoy the remarkable new Heathrow Terminal 2. The Queen's Terminal. With stunning architectural features, fantastic restaurants and shops, and 10 meter glass walls that flood the terminal with natural light providing the perfect start to your journey.

Conveniently located on the left hand side after leaving the secure area past the baggage reclaim belts in the T2 arrivals hall, The Arrivals Lounge helps make your long-haul travel more efficient and relaxing. Indulge in a hot shower, take advantage of the laundry valet service and enjoy some refreshments before you even leave the airport.

South African Airways are proud to be the national airline of South Africa and deliver a world class experience every time with their renowned, warm South African hospitality.

DON'T BE put off by the fact Pizzarello is offering \$1 on the long-dead race.

**PARIS MATCH**  
WELL, always have Paris. Credit Suisse employees are thinking fondly of after spending the bank holiday weekend in a bonding triathlon that finished at the Eiffel Tower. Starting from their office in Cabot Square, the bankers completed a 90-mile running relay from London to Dover, followed by a 25-mile swim.
